## Summary

Hi there! I'm a passionate Android App and Web Developer with a knack for blending creativity with code. My journey began as a hobby and has evolved into a fulfilling career, driven by a love for innovation and problem-solving.

**Android App Expertise:** With over 10+ dynamic apps featured on the Google Play Store, I specialize in crafting seamless user experiences using Java and Kotlin in Android Studio. From Firebase integrations to smooth database operations, I'm your go-to for Android magic.

**Web Development Wizardry:** Beyond apps, I create compelling websites using HTML, CSS, Laravel, PHP, and WordPress. Whether it's an enterprise-level site or an e-commerce solution, I bring ideas to life with finesse.

**API Integration Pro:** I excel in seamlessly integrating 3rd party APIs into projects, ensuring a smooth user journey with XML, JSON, and SOAP.

**Admob Monetization Maven:** Witness the transformation of clicks into cash with my adept Google Admob integration, maximizing revenue streams for projects.

**The Bug Fixer:** My attention to detail ensures a glitch-free user experience, as I swiftly identify and resolve issues.

Outside of coding, you'll find me exploring the latest tech trends or engrossed in a good book. I believe in continuous learning and regularly update my skills to stay ahead of the curve.

**Let's Connect:** If you're looking for a developer who combines technical expertise with creativity and passion, let's chat! I'm eager to collaborate on projects that make a significant impact in the tech

world, crafting apps and websites that are not just functional but also a joy to use. Let's build something amazing together!

## Experience

Hishebi

Android Developer

January 2024 - Present (7 months)

Moulvibazar Sadar Upazila, Sylhet, Bangladesh

I'm excited to introduce Hisebi, a unique financial tracking app developed by our Android team. Unlike typical finance apps, Hisebi simplifies personal finance management with a user-friendly interface, comprehensive tracking, real-time insights, customizable reports, and top-notch security. As a developer, my aim was to create an app that goes beyond standard expectations, offering clarity and control over your finances. We're committed to improving Hisebi and value your feedback.
